Summary of Experience

Stephen Barrett is Partner at Rogers Stirk Harbour + Partners and has over 25 years of experience with the practice. He leads the French and French-speaking teams and projects within RSHP.

He was project architect for: Bordeaux Law Courts; Terminal T4 at Barajas airport in Madrid; the Palmas Altas eco-campus in Seville; the control tower at Heathrow airport in London, the new Terminal 1 of Lyon-Saint Exupéry airport and, more recently, the East Wing extension at Geneva airport.

In addition to more than a dozen airport projects, Stephen has managed the multidisciplinary teams of urban and strategic projects for Grand Paris (2008-2012), Bercy Charenton (2009-19), Gare de Lyon Daumesnil, (2014 -), Roads of the Future Grand Paris, and latterly, the Montparnasse Masterplan.

He leads RSHP's Sustainable Development group and recently managed the audit of the practice's carbon footprint.
